RE: MSIS Data Reporting Activities

In an effort to assist in monitoring migrant student recruitment and data reporting activities in your school district, we have developed the enclosed report. The MSIS Data Reporting Activities report reflects migrant student data reported into the MSIS through February 15<sup>th</sup>, 2010, for the 2009-2010 SY.

I hope you find this information beneficial. If you have any questions on your district's data reporting activities, please contact a Data Management Specialist/Trainer at 800-274-6084.
