RE: Migrant Education Summer School Directory

Once again, we are requesting your cooperation in submitting to us the following information:

Migrant Education Summer School Directory

We will be updating our Migrant Education Summer School Directory and need the following information:

- School building name where summer school will take place, migrant funded and non-migrant funded.
- First and last day of summer school.
- Names of summer school personnel: director, records clerk, home visitor, and their phone numbers. (**Note:** If you have a new records clerk or home visitor for your summer program, please let us know as the people employed in these positions will need to be trained by our staff).

Please submit all updates to our Summer School Directory on the enclosed form by **June 4, 2010**, to Sara Thomas via fax at (509) 839-9017.

Thank you for your cooperation and support.
