RE: Title I Migrant Education Program End-of-Year Data Summary Report

Enclosed is the Migrant Student Information System (MSIS) End-of-Year Data Summary Report for your school district. The data in the "Progress Towards Graduation" portion of this report is based on the age of the student as of September 1 of the year of enrollment.

The report reflects student program participation data as reported by your school district's Migrant Education Program staff from August 7, 2009, through June 25, 2010. Any corrections made to the data must be submitted to MSDR by July 13, 2010. Final copies of the report will be submitted to OSPI on July 16, 2010.

The Title I Migrant Education Program End-of-Year Data Summary Report is submitted electronically via the iGrants Summary and Reporting system that can be found on OSPI's website. Please follow iGrants instructions to ensure data is reported accurately.

If you have any questions regarding the report listed above, contact a Data Management Specialist/Trainer at MSDR at 800-274-6084. For questions regarding OSPI's Migrant Education End-of-Year Report, contact Sylvia Reyna, Program Supervisor, Migrant Education Program, at 360-725-6147.
