This memorandum supplements our Reauthorization Implementation Memo SP 4 (July 19, 2004) by providing additional information on identifying migrant children and on the procedures that school food authorities (SFAs) and local education agencies (LEAs) should use to coordinate with the Migrant Education Program (MEP) in order to document the categorical eligibility of migrant children for free meals.

Background on the Migrant Education Program

The MEP is authorized under Title I, Part C of the Elementary and Secondary Education Act (ESEA) and provides grants to State educational agencies. The State educational agency, in turn, makes sub-grants to LEAs and other entities to provide supplemental educational and support services to migrant children. A major goal of the MEP is to minimize the disruption caused by migrant children's frequent moves. While the full definition of a migrant child in section 1309 of ESEA is rather complicated, in general under this definition, a migrant child is one who has moved across school district lines, within the last three years, in order to accompany or join a parent or guardian who has moved to seek or obtain temporary or seasonal work in agriculture or fishing.

Please note, however, that it is not necessary for local SFA personnel to apply the ESEA definition because there are already State educational agency and local MEP staff who are responsible for identifying (and maintaining supporting documentation) as to who is an eligible migrant child under ESEA.

Local Level MEP Contacts

Most State educational agencies sub-grant MEP funds to local operating agencies (LOAs) to provide program services. These LOAs are typically LEAs; however, in some states, the LOAs may be regional units that administer the MEP in multiple LEAs. When an LOA/LEA receives MEP funds, a MEP coordinator is usually designated. (However, in some LEAs, a Federal program director administers multiple federal programs including the MEP). Each LEA/LOA typically identifies and recruits migrant children in their geographic area and maintains a list of eligible migrant children.
